Prompt Hardship Application

It is the policy of Prompt Ambulance Central to require payment for services in a timely manner. Federal law requires uniform standards for the collection and processing of ambulance accounts. In limited cases, hardship exemption may apply, when properly documented and verified. In order to request a Hardship Exemption, you must complete and return this form within ten (10) business days of receiving your bill, to the address indicated below. You must sign this form, authorizing verification of the information provided. After review of the information, Prompt Ambulance Central will determine your eligibility for a hardship exemption, which may include monthly payments and/or an adjustment to your account. If you have received an insurance payment for ambulance services, you are not eligible for a hardship exemption until you have paid the full amount received from the insurance.
